God, Flag & Country Scholarship

The Fraternal Order of Eagles members have always possessed a strong sense of patriotism. Since 1967, the God, Flag and Country Program has been an integral part of patriotism, aiming to instill a sense of pride within our youth. This program invites high school seniors to prepare an essay about what God, their flag, or their country means to them.

The purpose of this scholarship is to instill in young people a deeper understanding of God, Flag and Country in our common lives and to make them aware of their heritage and to make it more meaningful to them in the world today. It is designed to work in conjunction with the basic teachings of the Fraternal Order of Eagles and at the same time reinforce the basic tenet of our country. We believe that the young should know and appreciate the advantage of democracy, possess a real love for their country and desire to take an active, intelligent part in its operation.
