

Imagine | Your Possibilities

OHIO Discovery Days

These fall programs are perfect opportunities to see if Ohio University Eastern Campus might be the next step in your educational journey.

STEM Night

Thursday, November 3 6-8 pm

Discover what it means to work in the science, technology, engineering and mathematic fields. Watch chemistry demonstrations, visit our anatomy lab and learn how a degree in exercise physiology can be earned at our regional campus.

Education Night

Thursday, November 10 5:30-7:30 pm

Discover our Middle and Early Childhood Education programs and begin an adventure in Education. Our Nationally Recognized Program will spring board those interested in teaching into the bright outlook field of Education.

Business/

Communication Night

Thursday, November 17 6-8 pm

Addicted to episodes of Shark Tank? Interests in event planning? Discover how writing and speaking can lead to careers in journalism, public relations, marketing and management fields.
